### REPAYING THE LOAN

We will match your repayment to your income or your guarantor's income. Your ability to repay will be a key factor in how much you can borrow. There is room for flexibility as each individual's circumstances are taken into account.

Payments can be made weekly, fortnightly or monthly by hand, direct debit or by electronic funds transfer.

Generally, we issue the loan in three stages to match your college terms. This will help you live within your budget and reduce the temptation of blowing the whole lot in the first term!

You and your guarantor will have to sign the paperwork each time you collect part of the loan.

The current account debit card allows access to your account 24/7. Online access through CU Online+.
